

Unto the Most August Majesties of Atlantia and the gracious and talented members of the Barony of Caer Mear we send our greetings.

Sir Tojenareum Grenville of Devon, 5th Prince of Atlantia, Order of the Laurel, Order of the Pelican and Founding member of Caer Mear and Dame Magda z Stalburg Founding Baroness of Settmour Swamp, Order of the Laurel and Founding member of Caer Mear, have heard the call of service to our fair Barony.

We have loved our Barony for more than forty years and now feel the need to serve her as her Territorial Baronage. We have served the Barony in a variety of capacities. We have held offices, been members of committees and received awards through these four decades. We now feel that we need to offer ourselves as the representatives of this Most Loyal, Nobel and honorable Barony of Caer Mear.

Please consider us when you seek those to follow in the noble role of Baronage.

Yours in service,

Sir Tojenareum Grenville of Devon

Dame Magda z Stalburg
