Blackfox Awards A.S. 48 Winner BEST SPECIAL INTEREST

Greetings from the Seneschal,

Reminder to all who attend Fighter Practices that if you do not have an SCA Membership Card or other proof of waiver WITH YOU, you will be required to sign the waiver. And all Youth without the same will have to have the parent or legal guardian sign the minor waiver.

This also applies to those participating in Arts and Science activities at the same practice. Much in the same way that those not participating in fighting activities must sign the waiver at Events. Our weekly practices constitute a joint A&S/ Fighting Event.

If you do not have a "blue card" and refuse to sign the waiver, then you will be asked to leave the practice and not be allowed to participate. This is not a new policy. However, Kingdom and Corporate are cracking down on enforcement. If you have any questions, please feel free to contact me.

Thank you
Lord Hjörri Guðmundson

From the Atlantian Announcement Mailing list

Greetings my Kingdom!

The Furstin Adelhait loves the animals of this kingdom - those of the air, the land, and the sea. She has asked that we celebrate animals and the husbanding of them in all forms both martial and artistic.

To in some small way meet Her wishes I am sponsoring a scribal competition at Coronation, October 2-4, in the Barony of Marinus - 57 Pipsico Road, Spring Grove, VA 23881. The competition is for blank scrolls for Atlantian non-armigerous and AoA-level awards. ALL BLANKS MUST CELEBRATE ANIMALS, REAL OR FANCIFUL, THAT MIGHT ROAM THE LANDS OF THIS KINGDOM. Farm, domestic, or wild, realistic or fantastical, embrace your finned-feathered-furred side, find the nearest bestiary, and throw some inspiration down!

Expectations of content and design for these blanks can be found in the Atlantian Scribal Handbook - <http://scribe.atlantia.sca.org/resources/ASHandbook2008.pdf> - pp. 13-42. There will be separate categories for Novice (scribes who have worked 1 year or less) and Established scribes. Minimal documentation is required and can be recorded on the EZ-Doc form - <http://larsdatter.com/ezdoc/basic.pdf>. Judging will be conducted based on Atlantian standards for Illumination - <http://moas.atlantia.sca.org/judging/illum.pdf>.

If you have questions please do not hesitate to **contact me - hippopotamama [at] hotmail.com**. PLEASE CROSS POST!

Sajah of the Many Names

Minion of Her Grace Seonaid ni Fhionn, MoL, Education Deputy for Novice Scribes, Woman Who Makes Paints, and unofficial Atlantian Minister of Hugs

Baroness Lynette Semere asks that donations be made for the Atlantian dayshade at Pennsic. Hydration is critical to those bold fighters who carry Atlantia's pride with them on to the field! She suggests

Sealed Gallons of Water (Don't want to chance people getting sick off Pennsic water)
Pickles. Olives (black or green) Pretzels, chips, or crackers (cheese-its, corn chips, etc. Items with salt in them. She will also accept cash donations, Please contact her for details

Last but not least **PLEASE** consider stopping by the dayshade and volunteering to help with waterbearing . You will not find a more grateful group than the troops of Atlantia. It also provides an up close view of the battles and a way to make new friends!
