Barony of Ponte Alto

In this our 12th year, we will focus on the Labors of Hercules – all 12 of them. When Hercules awoke from his “temporary insanity,” he was shocked to find he had killed his own wife and children. As punishment, he was to serve Eurystheus for 12 years. In those 12 years, Hercules completed 12 Labors, all meant to show the world that Hercules was not truly as great as the Greek thought he was. Despite these odds, and with a little help from some friends, Hercules successfully completed these tasks and rose to become one of Greek’s greatest heroes.

A few Words from the Knight Marshal

Hello everyone, I thought I would take a few minutes to introduce myself. My name is Patrick of Kells and I am the new Knight Marshal.

One of the new protocols I have put in place is that ***every fighter will need to show their blue card at every practice OR sign in on the waiver sheet once a month.*** This is to ensure that everyone is covered by the waiver and to assist us in keeping a roster of who been at practice. I appreciate your cooperation with this new rule. I welcome all input and if you have any questions please feel free to contact me. I look forward to seeing everyone at practice.

Thank you
Patrick of Kells
