Announcements

Caer Mear was well represented, and recognized, at Rip Rap War.

Bera of Caer Mear – who is known for babysitting royal triplets and chopping 40 pounds of turnips (!) among many other tasks, was awarded the **Award of Arielle**. This award has only 19 recipients since 2003, two from Caer Mear in the last 6 years! **Vivat!!**

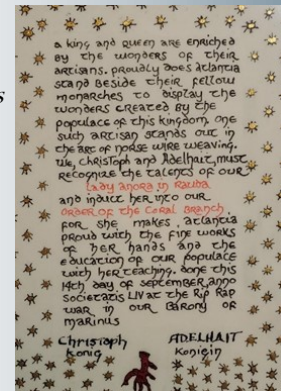

The Award of Arielle, honors and recognizes those young people (up to and including the age of 17), who have distinguished themselves by their acts of courtesy.

Baroness Yenega Velasconi de Santurtzi and Lady Arnora in Rauda were awarded the Order of the Coral Branch

The Order of the Coral Branch honors and recognizes those subjects who have distinguished themselves in their effort in arts and sciences of the period.

Baroness Ginevra Fiammetta di Silvestri was awarded the Order of the Opal for her service to the Kingdom.

The Order of the Opal honors and recognizes those subjects who have distinguished themselves by their service to Atlantia.

VIVAT CAER MEAR!!

"Ahoy, mateys! 'Tis I, your friendly baronial youth officer!

My good friend, Lady Héloïse de Bruyères, was the autocrat for Rip Rap War, and she asked me to provide youth activities. The theme this year was pirates, and I had a blast coming up with ideas for pirate-themed crafts! The kids made parrots, cannons, jeweled goblets, swords, and spyglasses. I set up a little photo booth with pirate dress up items (eyepatches, hats, moustaches, and hooks) and a frame that looked like a wanted poster. I also created a treasure hunt, with small items which, once collected, could be put in a small sand bottle. Special thanks to Lord Vytautas Vilkas, who helped with prep, setup, and teardown!"
