From the Baronage

Unto the Good Populace of the Barony of Caer Mear,

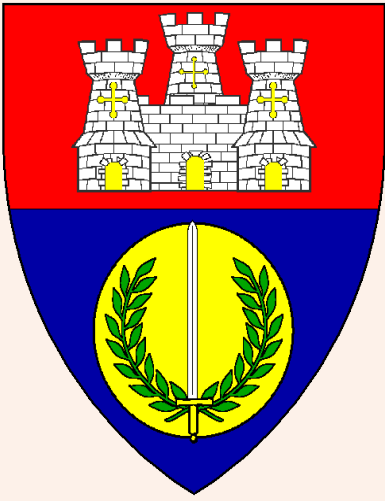

In these troubled times beautiful scrolls have been given to us, and we look forward to honoring their recipients at an upcoming court. Our greatest duty is to recognize all the good works of the people. In these times of uncertainty remember we are all a family, let us rely upon each other during this endeavor.

Yours in Service,
Toejenarum and Magda

Hellhound's Oath

By Lady Jeane Kilmeny (mka Dominica Campbell) and Sir Kieran Hunter (mka Gil Hunter)

I am an honorary Hellhound, recognized with a Tooth many years ago by the Hellhounds for courage on a field of battle. In 2019, we lost a Hellhound, another honorary Hellhound, and friends of the Hellhounds. Sir Kieran Hunter offered me the chance to speak at WoW 2019. Being unable to go, I offered to write a song. Sir Kieran generously shared with me words he had started, with permission to alter and add as I saw fit. He asked for the words to be set to Robert Plant's adaptation of a song called "Darkness Darkness", which has been covered by many blues, rock, and folk artists. The following refrain and verses are set to the first 1:38 of the recording by Robert Plant. The imagery incorporates commonly held myths and tropes about the Hellhounds across the cultures of the British Isles. Sir Kieran gave me permission to entitle the song as seen here. Lady Argent made its first performance in public at WoW.

[Refrain]

Darkness, Darkness be our pillow,
Cover us in the shadows deep
As we stand beyond the sun's light
In the vigil we must keep.

Verses:

Forged from Bloodgift of the ancients
Our swords sworn the line to keep,
So when evil rises among men
Herne will call us from our sleep.

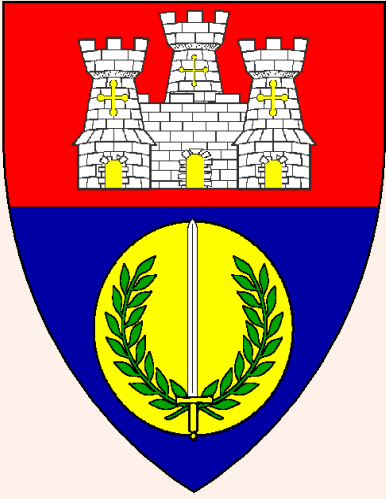

[Refrain]

In lightning flashes the Pack forms
From the ashes, the Hellhounds rise.
To answer the call of Herne's horn
Flames of judgment in our eyes.

[Refrain]

When our Hunt takes us from this world
And the path leads to Death's gate,
Fearless we march on the next field
Where old comrades for us wait.

[Refrain]
