Officer Spotlight:

The Barony is currently seeking a Minister of the Lists:

What is a Minister of the Lists?

Minister of the List is a position within the Marshal structure to organize and document tournaments, record fighter authorizations and report the results in an unbiased fashion.

A Minister of the List (MoL) helps organize, complete and maintain the paperwork needed to track fighters' authorizations and run combat scenarios at events. They are the people sitting at the table on the side of the list field signing in combatants, checking authorization cards, recording authorizations, and filling out all those lovely forms necessary to keep fighting in Atlantia running smoothly.
