Letter from Seneschal Regarding Polling of Confidence

Greeting Unto the Barony of Caer Mear Populace. As you are aware Their Excellencies have announced that they had requested a Polling of Confidence from Their Highnesses and this has been granted. The polling is scheduled to start tentatively on Oct 7, with a three-week window for responses. Per kingdom policy the polling is now conducted by the regional seneschal office through the Electronic Polling system (EPS). I encourage everyone to check your membership expiration date, via <https://members.sca.org>. The EPS is the default system for Baronial polling; all members must have accounts to use the system, if you don't have an account you can go to <https://polling.atlantia.sca.org/> from there you can set up an account. The EPS uses the Atlantian Enterprise Login (AEL), so if you have used this to sign up for university classes, fightercards or award recommendation you should already have an account and just need to set up how you wish to receive polling in EPS. Those without (or who do not wish to have) an EPS account, can receive a one-time-use code, via email or postcard, or you may request a paper ballot. Members must notify the Virginia Regional Seneschal to 'opt-out' of the ESP online system and receive this one-time-use code or paper ballot. The email contact information for VA Regional Seneschal is depsenva@atlantia.sca.org.

I will post any updates I receive regarding the date when polling goes activity. Please contact me at cmseneschal@gmail.com if you have any questions.
